i bid love convey selected information
and prevent violence making itself at home,
it breathes inside us

zuerst wollte er priester werden,
dann zog er in den krieg,

as the sun rose up behind me a wind started,
causing ripples on the water,
and whispered to my soul:
you have no fear of sin

we must not be afraid to say the truth,
the world is at war,
helping politicians, their families and
businessmen rob africa of billions,

i put a 10 stop filter on the camera
while pope giacomo asks about
motives, objective reasoning, and behaviour

i'm actually recording a metal song today
with joni mitchel on flutes, effects and vocals
diane sawyer on thermion, effects and vocals,
and myself on cello, effects and vocals

we're going to play solos, duos and trios in siberia

THE SCRUM-HALF IS THE LINK BETWEEN THE FORWARDS AND THE BACKS. THEY RECEIVE THE BALL FROM THE LINE-OUT AND REMOVE THE BALL FROM THE BACK OF THE SCRUM, USUALLY PASSING IT TO THE FLY-HALF. THEY ALSO FEED THE SCRUM AND SOMETIMES HAVE TO ACT AS A FOURTH LOOSE FORWARD. ALONG WITH THE FLY-HALF, THEY MAKE MANY OF THE OFFICIAL TACTICAL DECISIONS ON THE FIELD. DURING GENERAL PLAY, THE SCRUM-HALF IS ~~ONE~~ GENERALLY THE PLAYER WHO RECEIVES THE BALL FROM THE FORWARDS AND PASSES

IT ~~TO THE~~ TO THE BACKS. THEY ARE GOOD COMMUNICATORS, ESPECIALLY AT DIRECTING THE FORWARD ROUND, AND THEIR AIM IS TO PROVIDE THE BACKS WITH CLEAN BALL. GOOD SCRUM-HALVES HAVE AN EXCELLENT PASS, A GOOD TACTICAL KICK, AND ARE DECEPTIVE RUNNERS. AT DEFENSIVE SCRUMS THEY PUT PRESSURE ON THE OPPPOSITION SCRUM-HALF OR DEFEND THE BLINDSIDE. ON DEFENCE IN OPEN PLAY THEY GENERALLY COVER FOR DEEP KICKS AFTER THE BALL HAS BEEN PASSED WIDE.

TRADITIONALLY, SCRUM-

HALVES HAVE BEEN THE SMALLEST PLAYERS IN THE TEAM, BUT MODERN SCRUM-HALVES ARE A SIMILAR SIZE TO THE OTHER PLAYERS IN THE TEAM.

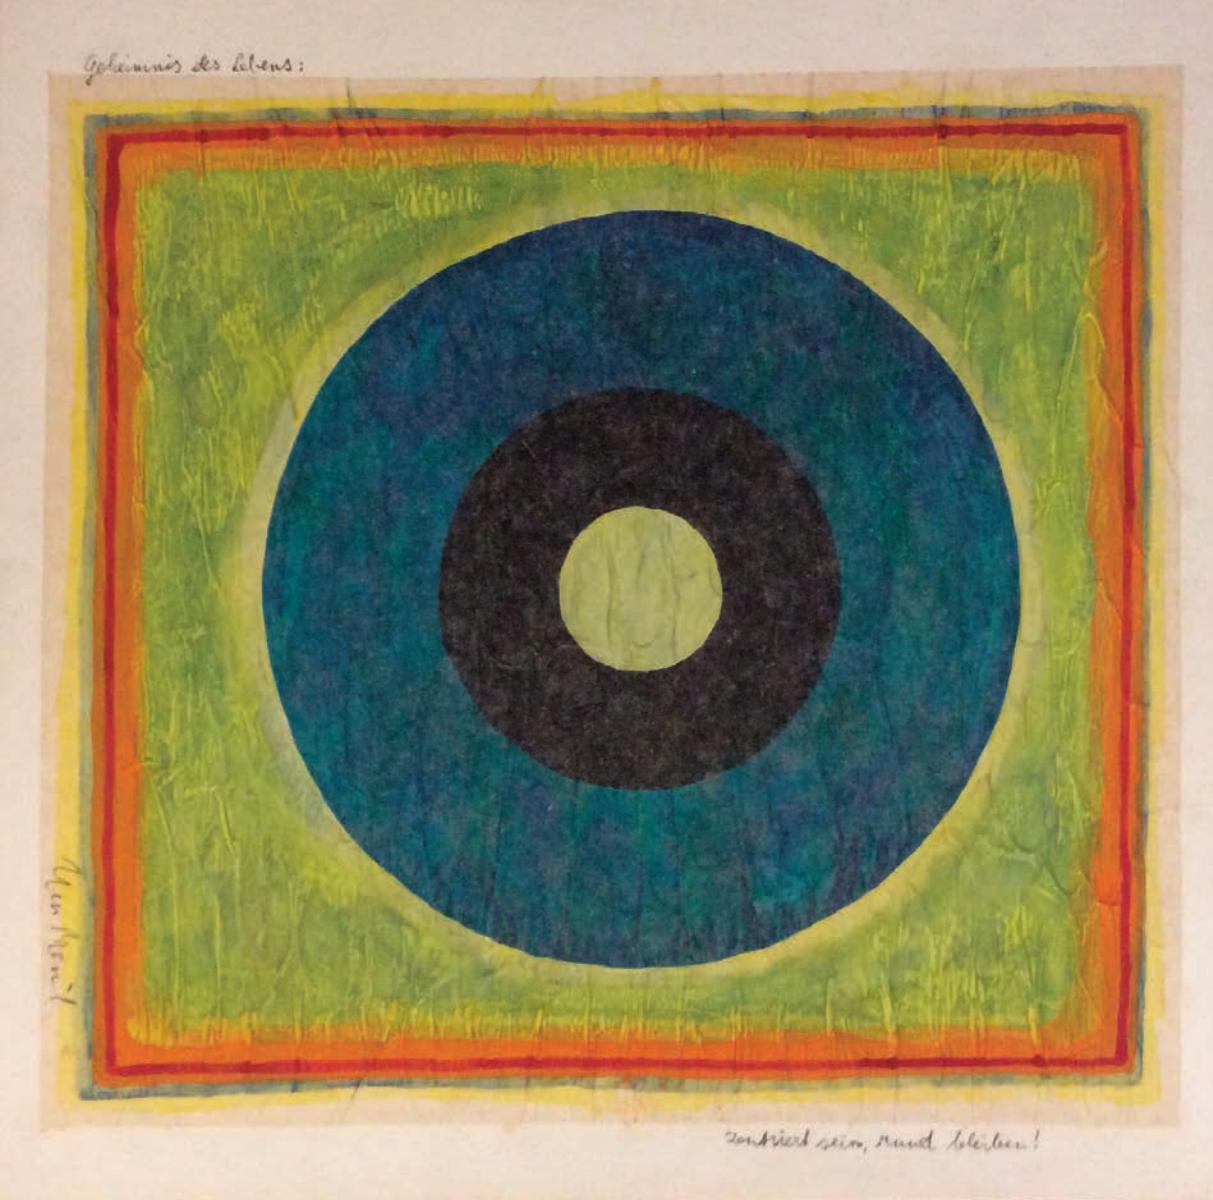

FIVE SCRUM-HALVES ARE MEMBERS OF THE INTERNATIONAL RUGBY HALL OF FAME; FOUR OF THEM ARE ALSO IN THE IRB HALL OF FAME.

THREE SCRUM-HALVES ARE IN THE IRB HALL BUT NOT ~~THE~~ INTERNATIONAL HALL.

The image shows a large, stylized globe sculpture at Universal Studios. The globe is primarily blue with a textured, brownish-gold surface representing continents. The word "UNIVERSAL" is written across the right side of the globe in large, metallic, gold-colored letters. The letters have a three-dimensional, layered appearance with white highlights. To the left of the globe, a portion of a similar "UNIVERSAL" sign is visible, showing the letters "L" and "G". The entire globe is mounted on a circular base that appears to be spraying water or steam, creating a misty effect. In the background, there is a green wall with several tall, thin evergreen trees growing out of it.
